This aircraft has not been operated in over two years. It was not put into a long-term storage program. It is our understanding that the last time it was operated there was a maintenance issue with the left engine.

All maintenance is due on this aircraft.

This aircraft may be best suited as a part out candidate.

The aircraft is subject to prior sale, commitment or withdraw from the market without prior notice. No warranty or guarantee is made or implied as to completeness or accuracy of the data presented herein and is subject to independent verification.
